EXTENDED BIO (UNDER 200 WORDS)

Ms. Joanne Woytek is the Program Director for the NASA SEWP Program. Ms. Woytek manages the strategic direction, planning and day-to-day operations of SEWP - a premier Government-Wide Acquisition Contract (GWAC) providing Federal Agencies access to the latest in Information & Communication Technology solutions. Ms. Woytek is a 40-year veteran to Goddard Space Flight Center (GSFC) in Greenbelt Maryland. From SEWP’s inception, twenty-five years ago, through to the present, Ms. Woytek continues to be the key figure in the continuing evolution of the program. Ms. Woytek is an ACT/IAC Fellow and Board member, an active member of the National Contract Management Association (NCMA), and Elected Customer Member Representative for The Open Group Governing Board. A few of the many awards Ms. Woytek has received while serving as Program Director are the Acquisition Improvement Award, Customer Service Excellence Award, Group Achievement Award, The 2016 Federal 100 Award. Coalition for Government Procurement’s 2014 Lifetime Acquisition Excellence Award, MAGIC 2013 Acquisition Excellence Award, and the Government Industry Cooperation Award. Prior to SEWP, Ms. Woytek served as a NASA mathematician focused on systems administration, database management, and user application programming.

SHORT BIO (UNDER 100 WORDS)

Ms. Joanne Woytek is the Program Director for the NASA SEWP Program, a premier Government-Wide Acquisition Contract (GWAC) providing Federal Agencies access to the latest in Information & Communication Technology product solutions. From SEWP’s inception, twenty-five years ago, through to the present, Ms. Woytek continues to be the key figure in the continuing evolution of the program, and in the management of strategic direction, day-to-day operations, and planning of the SEWP program. Ms. Woytek is a 40-year veteran to Goddard Space Flight Center (GSFC) in Greenbelt Maryland and is in her eighteenth year as Program Director.
